Room for Doubt

Philip Yancey once said,

"Frederick Buchner takes for granted that a relationship between an invisible God and visible humans will always involve an element of doubt: 'Without somehow destroying me in the process, how could God reveal himself in a way that would leave no room for doubt? If there were no room for doubt, there would be no room for me.'"

Without the freedom to doubt, there would be no freedom to believe. In God's economy, there is a reason for everything...even doubt.

John 20:29

Then Jesus told him, "Because you have seen me, you have believed; blessed are those who have not seen and yet have believed".

I love you all,

Tim
