Miracle Fruit

In West Africa there is a cranberry like fruit called the Sweet Berry or Miracle Fruit. The meat of the fruit contains a molecule called miraculin that binds to the tongue's taste buds, changing the person's sense of taste so that everything eaten seems sweet, even sour foods.

An attitude of gratitude and praise has the same effect as the Miracle Fruit. A thankful spirit sweetens a person's entire life, even in the midst of the sour effects of pain, disease, or sorrow. An attitude of gratitude in all things is the ultimate Miracle Fruit!

Psalm 34:8a

Taste and see that the Lord is good.

Be the "miracle fruit" to all those you come into contact with this week. "Love people until they ask you why".

I love you all,

Tim
