Highlight Reels

The world of sports provides a beautiful picture of God's grace when the sportscasters show "highlight reels" of our favorite athletes from years gone by. In the editing process, they edit all the mistakes, the fumbles, the strike outs, the missed shots.

Instead, every time Michael Jordan or Larry Bird shoots the ball, they make the basket. If all you knew about these legends was what you saw from a "highlight reel," you'd think they never missed a shot in their entire career.

That is a picture of how our lives will be remembered in eternity. By God's grace, we are promised that our sins will not be remembered. God will edit them all out.

Isaiah 43:25

I, even I, am he who blots out your transgressions, for my own sake, and remembers your sins no more.

So then what's left? Only a highlight reel filled with nothing but our greatest moments. And that's what will be remembered in heaven; all the positive and loving things we've done in the name of Jesus while we were on this Earth.

I love you all,

Tim
