Christianity Here and Now

Jesus made an extreme sacrifice for you. Are you willing to make extreme changes in your life for Him?

Can you honestly say that you're passionate about your faith and that you're really following Jesus?

Hopefully so. But if you're preoccupied with other things, or if you're strictly a one day a week

Christian, then you're in need of an extreme spiritual makeover.

Jesus doesn't want you to be a run of the mill, follow the crowd kind of person. Jesus wants you to be a "new creation" through Him. And that's exactly what you should want for yourself, too. Nothing is more important than your wholehearted commitment to your Creator and to His only begotten Son.

You are the recipient of Christ's love. Accept it enthusiastically and share it passionately. Jesus deserves your extreme enthusiasm.
