A WORD FROM BRUCE

A teenager lost a contact lens while playing basketball in his driveway. After a fruitless search, he told his mother the lens was nowhere to be found. Undaunted, she went outside and in a few minutes returned with the lens in her hand. "I really looked hard for that, Mom," said the youth. "How'd you manage to find it?" "We weren't looking for the same thing," she replied. "You were looking for a small piece of plastic. I was looking for \$150."

I can't help but wonder what Christianity would look like if it exchanged apathy with zeal, complacency with active pursuit and fear with hope. It just may be that we have become too familiar with what we know (or think we know) that we have depreciated its message.

Remember Jesus' parable of the great pearl or the treasure in the field? We really have something of greatest value! Please do not seek God in the same manner the teenager sought after his contact lens!

Let's seek together! Let's seek in honesty!
Let's seek with zeal!

Bank robber Willie Sutton, when asked why he robbed banks, replied, "Because that's where the money is."

Read His will for you ... that's where the "money" is!

See ya at the gathering place this Sunday.

How do people know that you're a Christian? Well, you can tell them, of course. And make no mistake about it talking about your faith in God is a very good thing to do. But, simply telling people about Jesus isn't enough, you must be willing to show people how a Christian should act.

Jesus never comes "next." He is always first. And if you seek to follow Him, you must do so every day of the week, not just on Sundays. After all, you are indeed "the light that gives light to the world," and shouldn't your light shine all the time? Of course it should. God deserves no less, and neither, for that matter, do you.

You must choose for yourselves today who you will serve.....as for me and my family, we will serve the Lord.

Joshua 24:15
