God's Presence

Do you ever wonder if God is really here? If so, you're not the first person to think such thoughts, In fact, some of the biggest heroes in the Bible had their doubts and so, perhaps, will you. But when questions arise and doubts begin to creep into your mind, remember this:

God has not gone on vacation, he has not left town. And he does not have an unlisted number. You can talk to him any time you feel like it. In fact, He's right here, right now, listening to your thoughts and prayers, watching over your every move.

Haven't I commanded you: be strong and courageous? Do not be afraid or discouraged, for the Lord your God is with you wherever you go.

Joshua 1:9
