This last Friday was the last Friday Lunch for our High School kids. For the past four years or so we have been providing lunch for the High School kids of our community. This has been a great outreach program. I want to thank everyone who helped with this great program. Maybe you sent food or helped prepare food or helped clean up or set up or maybe you prayed for our efforts. However you participated, we want to thank you. We especially want to thank Elizabeth McDaniel and Bettie Lu Herndon. These two ladies made sure that each Friday lunch went as smoothly as possible. Their efforts and love for the youth of our community are greatly appreciated.

This year we served 844 lunches in 30 weeks. We averaged around 28 kids each Friday. I can tell you that because of the Friday lunches we have had some of these kids come back to church on Sundays and Wednesdays. In fact we are taking some of these kids to camp with us this year. So your efforts are truly paying off and again we thank you and look forward to your helping us again next year.
