Obedience and Service

As you seek to discover God's purpose for your life, you may rest assured that His plan for you is centered around service to your family, to your friends, to your church, to your community, and to the world. God intends that you work diligently on His behalf to serve His children and to share His Good News. Whom will you choose to serve today? the needs are great and the workers are few.

Whoever serves me must follow me. Then my servant will be with me everywhere I am. My Father will honor anyone who serves me. John 12:26
