Are you willing to spend a few minutes every day with God? Are you willing to spend a few quiet moments each morning studying God's Word, or are you too busy for that? The answer, of course, is that you can find time for God, and you should. Spending 10 minutes in Christ's company every day will make the whole day different. As teenagers and young adults you face so many different trials and temptations every day. If we all start out our day spending time with Christ we can take on the things that the world throws at us much better.

Are you seeking to change some aspect of your life? Do you seek to improve the condition of your spiritual, physical, or emotional health? Do you desire the peace that can be yours through Christ? If so, ask for God's help and ask for it many times each day, starting with a steady diet of God's wisdom, God's Truth, and God's love.

Therefore, get your minds ready for action, being self-disciplined, and set your hope completely on the grace to be brought to you at the revelation of Jesus Christ. 1 Peter 1:13

Our family left Thursday on vacation and will be back this Wednesday. Please pray for our safety as we travel and thanks to Bruce for teaching the teen class for me.
