*To our family at Central Church of Christ,
We can not thank you enough for the shower that you gave Andrew & Stephanie. To say it was lovely would fall short of our feelings. To all those that worked so hard on the event we count ourselves blessed to be your friends and to all those that pray for our children's new marriage --- Thank you. Your love and generosity is no longer surprising but always overwhelming.
Anthony & Elizabeth McDaniel*

*Dear God,
Thank you for everything,
thank you for anything.*

Most of us are impatient for God to grant us the desires of our heart. Usually, we know what we want, and we

know precisely when we want it; right now if not sooner. But God may have other plans. And when God's plans differ from our own, we must trust in His infinite wisdom and His infinite love.

As busy people living in a fast-paced world, many of us find that waiting quietly for God is difficult. Why? Because we are imperfect human beings seeking to live according to our own timetables, not God's. In our better moments, we realize that patience is not only a virtue, but it is also a commandment from the Creator.

God instructs us to be patient in all things. As teens you must be patient with your parents, with your friends, and with everyone around you. You must also be patient with our Heavenly Father as He unfolds His plan for your lives. After all think about how patient God has been with us.

There is an occasion for everything, and time for activity under heaven. Ecclesiastes 3:1

A group of our young people will be leaving for camp today. Please keep them in your prayers as they travel and as they strengthen their relationship with God this next week.
