A Word from Bruce

A newer suburb division in Chicago was an absolutely beautiful and envied among many people. However; after a couple of years the suburb began to have problems. Homes gave way to sinkholes, the air was filled with horrible odors, homes were infested with mice, flies and gnats filled the air. Inspectors quickly investigated the situation and discovered that the suburb had been built on what used to be an old land field. What was presumed to be a good foundation by homeowners and investors turned out to be decaying matter that created all sorts of structural problems. All this could have been avoided if only the foundation had been good.

How is your Spiritual foundation? Our spiritual foundation affects other relationships such as parent/child, leadership/followership, husband/wife, friend/friend, friend/enemy, etc ...

So how do we do that? Paul said it this way in Ephesians 4:11-14, "It was he who gave some to be apostles, some to be prophets, some to be evangelists, and some to be pastors and teachers, to prepare God's people for works of service, so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ. Then we will no longer be infants, tossed back and forth by the waves and blown here and there by every wind of teaching and by the cunning of men in their deceitful scheming".

Please keep in your prayers our children that are
First Year starting school (**especially the**
mommas), transferring schools and returning to
school.
