When God Speaks Quietly

Over the last several weeks we have talked in our youth class about listening. We watched a video one Wednesday night entitled "Noise." It talked about listening to God, and tried to help us realize how much noise there is around us in our lives. Try this sometime this week, just stop what you are doing and listen. What different kinds of noises do you hear? Maybe its other people talking, music playing, traffic from the street, baby crying or just the wind blowing. When we are waiting for an answer from God, we must wonder how we can hear Him with all of this noise in our lives. Sometimes God speaks loudly and clearly. More often, He speaks in a quiet voice, and if you are wise, you will be listening carefully when He speaks. To do so, you must carve out quiet moments each day to study His Word and sense His direction. Are you willing to pray sincerely and then wait quietly for God's response. Hopefully so. Usually God refrains from sending His messages on stone tablets or city billboards. More often, He communicates in subtler ways. Spend time with God in a quiet place, away from all of the noise the world has to offer, listen for Him and He will answer your prayers.

Speak, Lord. I am your servant and I am listening.

1 Samuel 3:10

A Word from Bruce

Garage sale, tag sale, yard sale--whatever you call it, the garage or yard sale is part and parcel of the American way of life.

On sunny weekend mornings, slow-moving cars ("I brake for yard sales!") circle neighborhoods as their occupants hunt baby toys and French-fry makers, auto parts, bicycles, etc... Sometimes folks find what they are looking for and sometimes serendipity strikes and a treasure is found without hunting! If you are searching for a great deal in a place to worship ... then search no more! If you are looking for a place to get "plugged-in" ... Central has "hot outlets"! Allow me to challenge you to get involved with:

- Sunday morning Bible Classes - 9:30 am Adult classes in the Auditorium, Fellowship Hall, Family Room [parenting class]. We have awesome teachers in our children's classes and teen classes as well.
- Wednesday Evening Bible Classes - 7:00 pm Women's class in the Fellowship Hall [Overcoming Overload] and Men's class in the Family Room [Minor Prophets]. We also have dynamic classes for the children and teens as well.
- Women's Special Interest Bible Study [He Speaks To Me] Tuesday 12:00 with Anna Leatherman and Tuesday evening at 6:00 pm with Amanda Baird.
- Men's Bible Special Interest Prayer/Bible Study [King Me] Thursday 11:30 – 1:00 pm with Bruce Baird in the Family Room.
- Wednesday Morning Bible Class - 10:00 am [Love More, Sin Less] with Bruce Baird in the Fellowship Hall. Take advantage of Stone Soup days and Furr's Cafeteria days!
- Family Night. On the first Wednesday evening of the month at 6:00 pm we meet together to eat a meal, fellowship and sing
- Pot-Luck Lunch every first and third Sundays of every month then an early assembly. Take advantage of the time in the evening to enjoy fellowship, planned activities, etc... Check your bulletin for special activities through out the year such as WATS (We Are The Sermon), revivals, all-church outings to the canyons and people's homes, Christmas parties, Valentine parties, ski trips, youth rallies, etc...

I think I can honestly say, "If you are not involved, it is because you do not want to be involved or you are not capable of being involved." Make the decision to get involved, you will be truly blessed!

YOUTH: We will be going to Kenneth and Vicki Littlefield's today with the Aimers. We will meet here at the building at 2:30. We will have a cook out and devotional around 6:00 p.m.. Please bring chips and drinks. October 18th we will be going to a hockey game in Amarillo. If you are interested please let me know. I will be ordering tickets soon.

WANTED!!!
We need a teacher for ages
3-7 years for the
Wednesday night Bible
Class. If you are interested
please see Ross or Toby.

The LADIES RETREAT is set for October 16th & 17th. There is a sign-up sheet on the Activity Table. The cost has not yet been determined.
